

Sabzevar University of medical sciences

## CURRICULUM VITAE

### PERSONAL INFORMATION

---

**Name:** Zohreh

**Surname:** Mohamadzadeh Tabrizi

**Affiliation:**

Faculty of Paramedics, Anesthesiology and Operating Room Department, Sabzevar  
University of Medical Sciences, Sabzevar, Iran

**Tel:** (*office*) ۰۵۱۴۴۰۱۱۰۰۰

**Email:** [mohamadzadehtz\@gmail.com](mailto:mohamadzadehtz\@gmail.com)

### EDUCATIONAL BACKGROUN

---

**MSc.** Mashhad University of Medical Sciences, School of Nursing & Midwifery

**BSc.** Mashhad University of Medical Sciences, School of Nursing & Midwifery

## DISSERTATIONS

---

### MSc Thesis Title:

Comparing the effect of pressure support ventilation and volume assured pressure support ventilation in weaning of mechanical ventilation in patients after cardiac surgery.

## Awards and Ranks

---

Top student of MSc in nursing critical care at Mashhad University of Medical Sciences in ۲۰۱۳.

## TEACHING EXPERIENCES

---

- ✓ First aid principles
- ✓ Principles and techniques of care
- ✓ Nursing and operating room skills
- ✓ Anesthesia Equipment
- ✓ Post-Anesthesia Care
- ✓ Intensive care in nursing
- ✓ Principles of cardiopulmonary resuscitation
- ✓ Anesthesia in Specific Surgery
- ✓ Trauma ۱
- ✓ Trauma ۲
- ✓ Internal urgency ۲
- ✓ Environmental emergencies
- ✓ Advanced internal urgency ۱
- ✓ Intensive care unit training
- ✓ Training in anesthesia
- ✓ Internship in Emergency Department of Heart
- ✓ Training in Neurosurgery
- ✓ Internship in emergency department

## PROFESSIONAL MEMBERSHIP

---

- ✓ Director of Anesthesiology Department from ۱۷ Bahman ۹۸
- ✓ Advisor of Students

## PROFESSIONAL MEMBERSHIP

---

- ✓ Member of Academic Committees of Paramedical school.
- ✓ Member of Osce Committee, Anesthesiology Department, Paramedical school.
- ✓ Member of the committee for monitoring the activities of scientific associations

## RESEARCH FIELDS OF INTERESTS

---

- ✓ Research in critical care nursing
- ✓ Research in clinical education
- ✓ Research in Self-care
- ✓ Research in Life style
- ✓ Research in Anesthesia
- ✓ Research in Pain

## CONFERENCE PARTICIPATION

---

- ✓ Comparing the effect of pressure support ventilation and volume assured pressure support ventilation in weaning of mechanical ventilation in patients after cardiac surgery. ۲۰۱۳
- ✓ The causes of problem separation from mechanical ventilation in patients undergoing cardiac surgery. ۲۰۱۶
- ✓ Physical Inhibitors: Protective Measures or Health Threats. ۲۰۱۸
- ✓ Effect of *Urtica dioica* on hyperglycemia in diabetic patients. First National Student Conference on Medicinal Plants and Complementary Medicine. ۲۰۱۸
- ✓ The effect of chewing gum on anxiety and stress levels. First National Student Conference on Medicinal Plants and Complementary Medicine. ۲۰۱۸
- ✓ The positive effect of toothbrush on oral health. First National Student Conference on Medicinal Plants and Complementary Medicine. ۲۰۱۸
- ✓ The effect of nettle extract on inflammation. First National Student Conference on Medicinal Plants and Complementary Medicine. ۲۰۱۸
- ✓ Evaluation of knowledge of practitioners and operating room staff about professional ethics. Second Annual Operating Room Student Conference in Gonabad. ۲۰۱۹
- ✓ Evaluating the Effectiveness of Clinical Education in Operating Room Students. Second Annual Operating Room Student Conference in Gonabad. ۲۰۱۹
- ✓ Investigating the relationship between emotional intelligence and clinical performance of students in operating room. The first national conference on the challenges of teaching and research in the operating room. ۲۰۱۹
- ✓ Comparison of two methods of teaching electronic and traditional software on student learning. The first national conference on the challenges of teaching and research in the operating room. ۲۰۱۹
- ✓ The relationship between Covid ۱۹ disease anxiety and spiritual health in nurses. Eighth Symposium on Self-Care and Patient Education ۲۰۲۰.
- ✓ Benson Relaxation Techniques and Nurses' Job Stress. Eighth Symposium on Self-Care and Patient Education Summer ۲۰۲۰.
- ✓ Empathetic care in the Quaid Pandemic ۱۹: A qualitative content analysis study. The third national conference on care and treatment ۲۰۲۰.
- ✓ The effect of isometric exercise and ۲% lidocaine on reducing pain during intravenous injection of propofol. The third national conference on care and treatment ۲۰۲۰.

## PUBLICATIONS

۱. Comparing the effect of pressure support ventilation and volume assured pressure support ventilation in weaning of mechanical ventilation in patients after cardiac surgery. ۲۰۱۳
۲. Design and Determination of Psychometric Properties of the Questionnaires of Causes of Discomfort in Patients Admitted to Intensive Care Units, Scientific Journal of Mashhad School of Nursing and Midwifery. ۲۰۱۵

۳. The causes of problem separation from mechanical ventilation in patients undergoing cardiac surgery. ۲۰۱۶
۴. Emergency Surgery for Acute Dissection of the Ascending Aorta, *Annals of Anesthesiology and Critical Care*. ۲۰۱۶
۵. A Case of Dissociative Amnesia after Hospitalization, **The Neuroscience Journal of Shefaye Khatam**. ۲۰۱۸
۶. Effects of Cardiovascular Diseases on Cognitive Impairment in Elderlies, **The Neuroscience Journal of Shefaye Khatam**. ۲۰۱۸
۷. Etiology and mortality study of patients undergoing pericardial window surgery. *Journal of Mashhad University of Medical Sciences*. ۲۰۱۸
۸. Transient decrease in consciousness: syncope or seizure: a case report, **The Neuroscience Journal of Shefaye Khatam**. ۲۰۱۹
۹. Comparison of e-learning and traditional methods on anesthesia machine learning in anesthesia students of Sabzevar University of Medical Sciences, *Ofoh Journal of Medical Education Development Autumn* ۹۹
۱۰. POSTMODERNISM AND KNOWLEDGE DEVELOPMENT IN NURSING. *International Journal of Psychosocial Rehabilitation*, Vol. ۲۴, Issue ۰۴, ۲۰۲۰.
