

Sabzevar University of medical sciences

CURRICULUM VITAE

PERSONAL INFORMATION

Name: Arezoo

Surname: Davarinia Motlagh Quchan

Affiliation:

Faculty of Paramedics, Anesthesiology and Operating Room Department, Sabzevar University of Medical Sciences, Sabzevar, Iran

Tel: (*office*) ۰۵۱۴۴۰۱۸۳۵۶

Email: a.davarinia@yahoo.com

EDUCATIONAL BACKGROUN

MSc: Gonabad University of Medical Sciences, Anesthesiology and Operating Room Department

BSc: Gonabad University of Medical Sciences, School of Nursing & Midwifery

DISSERTATIONS

MSc Thesis Title:

The effect of ear acupressure on pain intensity, nausea and anxiety in patients undergoing appendectomy

Awards and Ranks

Tap student of MSc in nursing critical care at Mashhad University of Medical Sciences in ۲۰۱۳.

TEACHING EXPERIENCES

- ۱) Internship for anesthesia students in semesters ۳, ۴, ۵ and ۶
- ۲) Internal internship - surgery of anesthesiology and midwifery students
- ۳) Internal internship - surgery of ۳ nursing students
- ۴) Airway management internship for emergency medical students in the ICU
- ۵) Internship in the special field - ICU of nursing students
- ۶) Internship in the field of ۴th semester anesthesia students - ICU
- ۷) Teaching professional ethics in the operating room, professional ethics in anesthesia, surgical technology in pediatric surgery, introduction to surgical technology, research methods and research methods in the operating room
- ۸) Internship in the field of ۱ and ۲ anesthesia students
- ۹) Teaching anesthesia ۱ and ۲ courses
- ۱۰) Teaching anesthesia in specialized surgeries
- ۱۱) Teaching semiotics and clinical examinations

PROFESSIONAL MEMBERSHIP

- ۱) Head of Student Research Committee since ۱۳۹۷ until now
- ۲) Editor of Beyhagh Magazine of the Student Research Committee since ۱۳۹۷
- ۳) Executive Secretary of the National Conference on Complementary Medicine and Medicinal Plants in December ۱۳۹۷

- ξ) Cooperation in holding the growth center exhibition in December ۱۳۹۷
- ο) Professor of Academic Counseling for ۴th semester anesthesia students of Sabzevar University of Medical Sciences
- ϖ) Expert and member of "Children and Adolescents' Health" research group, Gonabad University of Medical Sciences, Social Development and Health Promotion Research Center
- ϗ) Academic advisor to discontinuous undergraduate students in the operating room from February ۲۰۱۵ to February ۲۰۱۷
- λ) Member of Gonabad University of Medical Sciences Professors' Basij since ۲۰۱۴
- ρ) The liaison of the No. ۹ exam area - the sisters' humanities in holding the national exam in ۲۰۱۴ in Gonabad University of Medical Sciences
- ۱۰) Student member of Gonabad University of Medical Sciences Student Disciplinary Council for ۲ years in ۱۳۹۱-۹۳
- ۱۱) Expert in classes and postgraduate exams at Gonabad University of Medical Sciences in ۲۰۱۳
- ۱۲) Graduate in charge of postgraduate studies in ۱۳۹۲ in Gonabad University of Medical Sciences
- ۱۳) Member of the editorial board of Sir Danesh Journal of Student Research Committee of Gonabad University of Medical Sciences in ۲۰۱۳
- ۱۴) Persian Editor of Sir Danesh Journal of Student Research Committee of Gonabad University of Medical Sciences in ۲۰۱۳
- ۱۵) Member of the editorial board of Sir Danesh Journal of Student Research Committee of Gonabad University of Medical Sciences in ۲۰۱۳
- ۱۶) Member of the Talent Office in the years ۱۳۸۸-۹۱
- ۱۷) Editor of the subject journal of Gonabad University of Medical Sciences in ۲۰۱۰-۲۰۱۱
- ۱۸) Member of the editorial board of the subject of Gonabad University of Medical Sciences in ۲۰۱۱
- ۱۹) Active member of Ashegh Alley Battalion in Basij base of Gonabad University of Medical Sciences in ۲۰۱۱
- ۲۰) Cultural liaison of student dormitory in the academic semester of ۲۰۰۹-۲۰۱۰ in Gonabad University of Medical Sciences
- ۲۱) Active member of student mobilization for ۷ years
- ۲۲) Director of attracting and organizing the hijab base of Gonabad University of Medical Sciences in ۲۰۰۹
- ۲۳) Gonabad University of Medical Sciences Human Resources Manager from the second semester of ۲۰۰۹-۲۰۱۰ to the second semester of ۲۰۱۰-۲۰۱۱

RESEARCH FIELDS OF INTERESTS

- ✓ Research in critical care nursing
- ✓ Research in clinical education
- ✓ Research in Self-care
- ✓ Research in Life style
- ✓ Research in Anesthesia
- ✓ Research in Pain

۲۳. Design, implementation, and evaluation of a web-based electronic logbook for the apprenticeship of operating room and anesthesiology students. ۲۰۲۲;۲۹(۲).

Lectures and posters presented at conferences and congresses

- ۱) Comparison of the Effect of Lidocaine Spray and Acupressure on the Severity of Intramuscular Injection Pain. ۱۵ Annual Research studenta congress of the eastern medical sciences students. ۲۰۲۲(poster)
- ۲) Investigating the prevalence and factors related to self-treatment in the prevention of covid-۱۹ disease in pregnant women of Sabzevar city in the year ۲۰۲۱. ۱۵ Annual Research studenta congress of the eastern medical sciences students. ۲۰۲۲(lecture)
- ۳) Comparing the quality of life of nurses working in reference hospitals for Covid-۱۹ with other hospitals. ۱۵ Annual Research studenta congress of the eastern medical sciences students. ۲۰۲۲(poster)
- ۴) The effectiveness of self-care training regarding Covid-۱۹ on the general health of pregnant mothers. ۱۵ Annual Research studenta congress of the eastern medical sciences students. ۲۰۲۲(poster)
- ۵) Investigating the impact of covid-۱۹ on the choice of type of anesthesia in the corona crisis and presenting patients: a systematic review. ۱۵ Annual Research studenta congress of the eastern medical sciences students. ۲۰۲۲(poster)

٦) The effect of isometric exercise and lidocaine ٢٥% on reducing pain during intravenous injection of propofol in patients undergoing surgery: Third National Conference on Care and Treatment. March ٢٠٢١ (poster)

٧) Comparison of mental health of nurses working in Covid ١٩ reference hospitals with other hospitals: ٨th symposium on self-care and patient education. August ٢٠٢٠ (Poster)

٨) Relationship between Covid ١٩ disease anxiety and spiritual health in nurses: ٨th Symposium on self-care and patient education. August ٢٠٢٠ (Poster)

٩) Benson Relaxation Technique and Nurses' Job Stress: ٨th Symposium on Self-Care and Patient Education. August ٢٠٢٠ (Poster)

١٠) A comparative study of two educational methods of electronic and traditional software on students' learning: The first national conference on the challenges of education and research in the operating room. November ٢٠١٩ (poster)

١١) Investigating the relationship between emotional intelligence and clinical performance of students in the operating room: The first national conference on the challenges of education and research in the operating room. November ٢٠١٩ (poster)

١٢) Assessing the level of awareness of operating room staff and students on the principles of professional ethics: Review article: The second annual student research conference of the operating room of the country. July ٢٠١٩ (Poster)

١٣) The effect of nettle on reducing blood sugar in patients with diabetes: National Student Conference on Medicinal Plants and Complementary Medicine. December ٢٠١٨ (Poster)

١٤) The use of Pilates exercises instead of physiotherapy in medical centers in patients with orthopedic problems: National Student Conference on Medicinal Plants and Complementary Medicine. December ٢٠١٨ (Poster)

١٥) The effect of nettle extract on inflammation: A review study: National Conference on Medicinal Plants and Complementary Medicine. December ٢٠١٨ (Poster)

١٦) Comparison of the effect of acupuncture and ice massage at LI٤ point on pain after appendectomy: The ١٩th Annual Research Congress of medical students. September ٢٠١٨ (Poster)

١٧) The role of the initial maladaptive schema of the mother in predicting the initial maladaptive schema and loneliness of children aged ٨ to ١٥ years in Amol city: National Conference on New Research in Behavioral Sciences and Cultural and Social Studies. September ٢٠١٧ (Poster)

١٨) Evaluation of the effect of intravenous dexamethasone on the incidence and severity of headache after spinal anesthesia in painless delivery: ١٢th Annual Research Congress of medical students in the east of the country in December ٢٠١٧ (Lecture)

۱۹) The Relationship between Hope for Career Future and Academic Burnout of Gonabad University of Medical Sciences Students in ۲۰۱۶: The Twelfth Annual Research Congress of Medical Students in the East of Iran in December ۲۰۱۷ (Poster)

۲۰) Comparison of views of students and faculty members of Gonabad University of Medical Sciences regarding barriers and facilitators of student research activities in ۲۰۱۶: ۱۲th Annual Research Congress of medical students in the east of the country in December ۲۰۱۷ (poster)

۲۱) The Relationship between Religious Beliefs and Job Burnout of Nurses Working in Gonabad Hospitals in ۲۰۱۶: The Twelfth Annual Research Congress of Medical Students in the East of the Country in December ۲۰۱۷ (Poster)

۲۲) Spiritual health with hope for career prospects of students of Gonabad University of Medical Sciences in ۲۰۱۶: In the ۱۲th Annual Research Congress of Medical Students in the East of the country in December ۲۰۱۷ (Lecture)

۲۳) Defects in the initial maladaptive schema of the mother in predicting the initial maladaptive schema and loneliness of children aged ۸ to ۱۰ years in Amol city: National Conference on New Research in Behavioral Sciences and Social Cultural Studies on December ۲۱, ۲۰۱۷

۲۴) The effect of ear acupuncture on pain intensity in patients undergoing appendectomy: The First International Congress of Complementary and Alternative Medicine, Mashhad University of Medical Sciences, October ۶-۱۷, ۲۰۱۰ (Poster)

۲۵) The effect of acupuncture on the clinical symptoms of appendectomy candidates: The Fourth National Conference on Strategies for Improving the Quality of Nursing and Midwifery Services at Yazd University of Medical Sciences on ۲۰۱۴ (Lecture)

۲۶) Comparison of complications of general anesthesia and spinal anesthesia after cesarean section: The fourth national conference on strategies to improve the quality of nursing and midwifery services in Yazd University of Medical Sciences on ۲۰۱۴ (poster)

۲۷) The effect of ear acupuncture on clinical symptoms of appendectomy candidates .: Gonabad University of Medical Sciences Health Research Seminar on December ۱۷, ۲۰۱۴ (Lecture)

۲۸) A Double-blind Randomized Comparison on Between Different Epinephrine Concentrations for Spinal Anesthesia "at the ۴th International Congress of Interventional Pain Medicine on Oct ۱۲-۱۴, ۲۰۱۳, Tehran, Iran (poster)

۲۹) Evaluation of selection criteria for anesthesia in pregnant women who are candidates for cesarean section in Gonabad ۲۲ Bahman Hospital in ۲۰۱۱: Health research seminar at Gonabad University of Medical Sciences on December ۱۰, ۲۰۱۳ (Lecture)

۳۰) Comparison of the effect of adding epinephrine ۱,۱۰۰۰ with epinephrine ۱,۱۰۰۰۰ to lidocaine and fentanyl on duration of immobility, hemodynamic changes (blood pressure and heart rate) and analgesia in spinal anesthesia during cesarean section: Research seminar to

present the final report Of completed research projects of Gonabad University of Medical Sciences on December ۱۴, ۲۰۱۲ (Lecture)

۳۱) The relationship between religious orientation and aggression among students of Gonabad universities in ۱۳۹۰: The eighth annual conference of students of medical universities in the east of the country on ۲۰ and ۲۴ December ۲۰۱۲ in North Khorasan University of Medical Sciences (poster)

۳۲) Comparison of the effect of adding epinephrine ۱,۱۰۰۰ with epinephrine ۱,۱۰۰۰۰ to lidocaine and fentanyl on the duration of immobility, hemodynamic changes and analgesia in spinal anesthesia Cesarean section: the twelfth national seminar on knowledge and health in Shahroud University of Medical Sciences in Dated ۸ and ۷ March ۲۰۱۳ (poster)

Approved research projects

۱) The effect of ear acupressure on clinical symptoms of patients before surgery in patients undergoing appendectomy.

۲) Evaluation of selection criteria for anesthesia in pregnant women candidates for cesarean section in Gonabad ۲۲ Bahman Hospital in ۲۰۱۱

۳) The relationship between religious orientation and aggression among students of Gonabad universities in ۲۰۱۱

۴) Comparison of the effect of adding epinephrine ۱,۰۰۰ with epinephrine ۱,۱۰۰۰۰ to lidocaine and fentanyl in spinal anesthesia on hemodynamic changes (blood pressure and heart rate), duration of analgesia and immobility in cesarean section in ۲۰۱۰

۵) The role of religious beliefs in burnout of nurses working in Gonabad hospitals (Consultant Professor)

۶) Barriers and facilitators of students' research activities from the perspective of faculty members and students of Gonabad University of Medical Sciences (Advisor)

۷) The relationship between the type of delivery and physical complaints and mental health during postpartum recovery in pregnant women referring to health centers in Gonabad in ۲۰۱۴

۸) The relationship between spiritual health and hope for the future career of Gonabad University of Medical Sciences students

۹) Comparison of the effect of lidocaine spray and acupressure on the severity of pain caused by intramuscular injection

۱۰) Comparison of the effect of isometric exercise and ۲٪ lidocaine on reducing pain during intravenous injection of propofol in patients referred to ۲۲ Bahman Hospital in Neishabour in ۱۳۹۷

- ۱۱) The effect of general anesthesia with thiopental and propofol on first and fifth minute Apgar scores of neonates in cesarean section
- ۱۲) Factors affecting the arbitrary use of drugs and supplements in the prevention of Covid ۱۹ in Sabzevar in ۱۳۹۹
- ۱۳) The effect of Benson relaxation on quality of work life and job stress of ICU nurses in Vasei Hospital
- ۱۴) The effect of Benson relaxation virtual education on self-efficacy and mental health of students of Sabzevar University of Medical Sciences: The prevalence of Covid disease ۱۹
- ۱۵) Comparison of quality of life and mental health of nurses working in Referral Covid Hospital ۱۹ with other hospitals in Sabzevar
- ۱۶) Determining the effectiveness of virtual self-care education about Covid ۱۹ on general health and life expectancy of pregnant mothers referred to Shahidan Mobini Hospital
- ۱۷) A comparative study of e-learning and traditional methods on anesthesia machine learning in anesthesia students of Sabzevar University of Medical Sciences
- ۱۸) The relationship between anxiety associated with labor during childbirth and satisfaction with the experience of childbirth in nulliparous women
- ۱۹) Design and implementation of web-based electronic logbook for internship and anesthesia students
- ۲۰) Frequency of complications of Covid ۱۹ disease in patients referred to ۱۶-hour centers in Sabzevar in ۱۴۰۰
- ۲۱) Evaluation of dietary quality index and dietary diversity score and their relationship with clinico-pathological characteristics of patients with Covid-۱۹
- ۲۲) Follow-up of the clinical status of patients with Covid ۱۹ admitted to Sabzevar Vasei Hospital in ۱۴۰۰
- ۲۳) Investigating the relationship between internet addiction and mental health among students of medical universities in Iran during the Covid-۱۹ pandemic
- ۲۴) Evaluation of the Relationship between traumatic brain injury and electrolyte disorders in patients admitted to the intensive care unit of EMDAD Hospital in Sabzevar.
- ۲۵) The effect of anesthesia on the complaint of memory impairment : A study based on Sabzevar cohort population

Scientific referee

- ۱) Referee of Sabzevar University of Medical Sciences

- ۲) Judge of Beyhagh Journal of Student Research Committee
- ۳) Referee of the scientific journal of research in Gilan education
- ۴) Reviewer of Ofogh Danesh Journal
- ۵) Judge in person at the ۱۴th Annual Research Congress of Medical Students in the East of the country
- ۶) Referee of the ۱۰th Research Congress of Medical Students in the East of the country hosted by Sabzevar University of Medical Sciences on May ۶-۱۶, ۲۰۱۵
- ۷) Attending the seminar "Health Research" seminar at Gonabad University of Medical Sciences on December ۱۵, ۲۰۱۳

Teaching in educational and research workshops

- ۱) Teaching in a workshop on advanced research methods: December ۲۰۱۷ at Sabzevar University of Medical Sciences
- ۲) Teaching in a workshop on proposal writing: November ۲۰۱۷ at Sabzevar University of Medical Sciences
- ۳) Teaching in educational and research workshops Research method: May ۲۰۱۵ in Gonabad University of Medical Sciences
- ۴) Teaching in the educational and research workshop "Research Method": May ۲۰۱۴ in Gonabad University of Medical Sciences
- ۵) Teaching in the educational and research workshop "Research Method" on December ۲۷, ۲۰۱۴ at Gonabad University of Medical Sciences
- ۶) Teaching in the educational and research workshop "Research Method" for laboratory science students on March ۲۴, ۲۰۱۳ in Gonabad University of Medical Sciences
- ۷) Teaching in the educational and research workshop "Research Method" for environmental health students at Gonabad University of Medical Sciences on December ۹, ۲۰۱۲

WORKSHOPS

workshop	Place
"Corona and the Beginning of a New Era of Structural	Sabzevar University of Medical Sciences

Change in the Contemporary World"	
Professors' symposium "Reading the case of terror in Islam"	Sabzevar University of Medical Sciences
Symposium of the professors of "Arbaeen and the discourse of modern Islamic civilization"	Sabzevar University of Medical Sciences
Trial webinar in biomedical research	Mazandaran University of Medical Sciences
Practical rules	virtual
Ethics in human research	Sabzevar University of Medical Sciences
Enlightenment of professors "Religious intellectualism ۳	Sabzevar University of Medical Sciences
Covid-۱۹ webinar and telemedicine	Isfahan University of Medical Sciences
Manage virtual classes with mobile	North Khorasan University of Medical Sciences
A practical approach to solving ethical challenges	Golestan University of Medical Sciences
Organizational ethics	Golestan University of Medical Sciences
Ethical challenges of educating and treating patients simultaneously in the educational and medical hospitals of the country	Golestan University of Medical Sciences
Ethical considerations in diagnostic and therapeutic surgeries in cancer patients	Golestan University of Medical Sciences
Ethics in research	Golestan University of Medical Sciences
Ethics in teaching student relationship	Golestan University of Medical Sciences

communication skills with the cyberspace approach	
Conscious consent in research and treatment	Golestan University of Medical Sciences
Ethics in publishing research works	Golestan University of Medical sciences
Ethical requirements in clinical education in crisis situations	Golestan University of Medical Sciences
Ethics in providing health care services in the context of the corona epidemic	Golestan University of Medical Sciences
Scholarship	Sabzevar University of Medical Sciences
Writing process	Sabzevar University of Medical Sciences
The role of virtual reality in medical education	Sabzevar University of Medical Sciences
Teacher Enlightenment "Step Two, Civilization Step, Opportunities and Challenges	Sabzevar University of Medical Sciences
Teachers' Thought Banquet Training Course	virtual
How to publish our articles in international journals?	Sabzevar University of Medical Sciences
Advanced Database Search Workshop	Sabzevar University of Medical Sciences
Advanced Database Search Workshop	Sabzevar University of Medical Sciences
Storyline Workshop	Sabzevar University of Medical Sciences
Familiarity with academic achievement, question design rules and test analysis	Sabzevar University of Medical Sciences
The role of technology in health	Sabzevar University of Medical Sciences
Navid Workshop	Sabzevar University of Medical Sciences

Enhancing the knowledge of professors with an analytical subject on global and domestic political developments	Sabzevar University of Medical Sciences
Knowledge translator	Sabzevar University of Medical Sciences
Areas of learning and types of objective and practical tests	Sabzevar University of Medical Sciences
Professors' sympathy - doubts about Ashura	Sabzevar University of Medical Sciences
Banquet of professors' thoughts	Sabzevar University of Medical Sciences
Educational Scholarship Seminar	Sabzevar University of Medical Sciences
Internationalization of research	Sabzevar University of Medical Sciences
workshop on how to hold an effective club journal	Sabzevar University of Medical Sciences
workshop on research tools and the new information system of medical research in Iran (nopa)	Sabzevar University of Medical Sciences
Navid system workshop	Sabzevar University of Medical Sciences
Virtual National Conference on Curriculum Planning in Medical Education	Sabzevar University of Medical Sciences
resource management software training workshop	Sabzevar University of Medical Sciences
ethics workshop in publishing scientific works	Sabzevar University of Medical Sciences
۱۹th Annual Research Congress of Medical Students	Hamadan University of Medical Sciences
Participate in the OSCE test	Sabzevar University of Medical Sciences
Process writing in	Sabzevar University

medical science education	of Medical Sciences
Banquet of professors' thoughts	Sabzevar University of Medical Sciences
Banquet of professors' thoughts on the subject of the basics of political thought ۲	Sabzevar University of Medical Sciences
Participate in the OSCE test	Sabzevar University of Medical Sciences
one-day scientific conference - instrumentation in research	Sabzevar University of Medical Sciences
workshop "Introduction to third generation universities" for faculty members	Sabzevar University of Medical Sciences
Learn how to work with the IMS e-learning management system	Sabzevar University of Medical Sciences
Familiarity with electronic content production software Articulate storyline	Sabzevar University of Medical Sciences
Scriptwriting for electronic content production	Sabzevar University of Medical Sciences
Distance medical education and electronic visits	Sabzevar University of Medical Sciences
Sympathy of professors	Sabzevar University of Medical Sciences
"Clinical Competency Assessment" workshop for faculty members	Sabzevar University of Medical Sciences
Workshop on Political Thought and the Foundations of the Islamic Revolution Level Two	Gonabad University of Medical Sciences
professors' symposium entitled "Achievements of the	Gonabad University of Medical Sciences

Islamic Revolution and the Islamic Consultative Assembly Elections	
workshop "New methods of clinical evaluation"	Gonabad University of Medical Sciences
"Mixed Methods Research" workshop	Gonabad University of Medical Sciences
research workshop "Intellectual Property and Patents"	Gonabad University of Medical Sciences
workshop "Description of the duties of faculty members"	Gonabad University of Medical Sciences
symposium of professors of Gonabad University of Medical Sciences on "Psychological foundations of men and women"	Mashhad
symposium of professors of Gonabad University of Medical Sciences on "Religious epistemology level one"	Mashhad
workshop "Description of the duties of faculty members"	Gonabad University of Medical Sciences
symposium of professors of Gonabad University of Medical Sciences entitled "Population Management"	Gonabad University of Medical Sciences
one-day workshop "Introduction to electronic resources and databases" OVID	Gonabad University of Medical Sciences
research workshop "Journal club"	Gonabad University of Medical Sciences
"participatory learning" workshop for faculty and educational members	Gonabad University of Medical Sciences

symposium of professors of Gonabad University of Medical Sciences entitled: "Population perspective of the country" on February ٤, ٢٠١٥	Gonabad University of Medical Sciences
regional seminar on medical genetics	Gonabad University of Medical Sciences
training course on hemovigilance and blood health	Gonabad University of Medical Sciences
conference of Aftab girls (for chastity and hijab announced by the Ministry) in ٢٠١٠ in Tehran	Tehran
National Conference on Spirituality, Quranic Studies and Health on May ١٠-٢٠, ٢٠١٢	Gonabad University of Medical Sciences
preliminary statistical analysis workshop with SPSS software	Gonabad University of Medical Sciences
workshop of student journals of region ٥ of medical universities of the country on January ٧, ٢٠١١	Sabzevar University of Medical Sciences
Genomics Proteomics Conference of Payame Noor University of Gonabad	Gonabad University of Medical Sciences
Research Methodology Research Workshop	Gonabad University of Medical Sciences
Research Methodology Research Workshop	Gonabad University of Medical Sciences

Special cases, scientific awards and letters of appreciation

- ۱) Appreciation as a responsible instructor in the discipline of anesthesia students in the ICU in ۲۰۱۰
- ۲) Winning the second place in the field of Quranic concepts of professors in the ۲۰th Quran and Atrat Festival of the country's medical universities in Gonabad University of Medical Sciences
- ۳) Winning the second place in the field of professors' rulings in the ۲۰th Quran and Atrat Festival of the country's medical universities in Gonabad University of Medical Sciences
- ۴) Appreciation for providing services to students and promoting and promoting educational activities in ۲۰۱۳
- ۵) Selected as the top researcher of Gonabad University of Medical Sciences in the research year ۲۰۱۳-۲۰۱۴
- ۶) Selected as the top researcher of Gonabad University of Medical Sciences in the research year ۲۰۱۲-۲۰۱۳
- ۷) Appreciation as knowledge and appreciable progress in the academic year ۲۰۱۱-۲۰۱۲ in Gonabad University of Medical Sciences
- ۸) Selected as the first rank student of anesthesiology in Gonabad University of Medical Sciences in ۲۰۱۱
- ۹) Selected as the third young researcher of Gonabad University of Medical Sciences in the research year ۲۰۱۱-۲۰۱۲
- ۱۰) Selected as a model student of Gonabad University of Medical Sciences in ۲۰۱۲
- ۱۱) Selected as a sample student of anesthesiology in Gonabad University of Medical Sciences in ۲۰۱۲
